Please check all your trial information carefully on the confirmation you were sent and notify me immediately in writing with any corrections. You can contact me via email at K9sports22@gmail.com or by phone (503) 840-4303 (cell).

SITE INFO: This trial will be held indoors in a climate-controlled building, one ring on rubber matting. You will need to have a special sticker to re-enter the building. Come see me at the secretary table when you arrive and I will give you the sticker.

DIRECTIONS TO THE TRIAL SITE:

FROM I-5 NORTH OR SOUTHBOUND – Take exit 306B to get to the east side reserved/general parking entrance or take exit 307 Marine Dr. West to get to the Force Ave west side reserved parking entrance or to circle around the Expo to get to the exhibitor express entrance.

AGILITY GATE APP: We will be using the Agility Gate App at this trial. **The access code is 4303**

If you do not yet have the app you can download it from the Play Store on your phone or tablet. Search for Agility Gate and download it. Open the app, search for Rose City Classic, tap that and tap on the class you want. When the running orders are available you can check your dog in by touching your dogs name and swiping it from right to left. You'll then see options to check-in, conflict, scratch, or FEO (if applicable). Touch the option you want and you're all set. You can follow along on the app to see live where we are in the running orders. PLEASE CHECK YOUR DOG IN SO WE KNOW THAT YOU ARE PLANNING TO RUN, OR SCRATCHING, OR.... You can even do this from your home. That way we aren't searching for you if you are not going to make it for any reason.

COURSE MAPS: Course maps for each day will be posted each morning at the trial site. Course maps will also be posted on the Agility Gate App with the daily running order. Additionally, the trial secretary may post the course maps on K-9 Sports website when time permits. **NO INDIVIDUAL PHYSICAL MAPS WILL BE AVAILABLE FOR COMPETITORS.**

PRELIMINARY RUNNING ORDER: The Preliminary Running Order is contingent on move-up entries not yet received.

Walk through groups may be changed at the trial to accommodate for workers.

GENERAL: ALL dogs are required to be kept on leash at ALL times. And please pick up after your dogs.

PREVENTIVE ITEM: We're recommending that all of you take your temperature in the 2 days prior to the trial. If it's elevated, it could be a sign that you're getting sick. If it is elevated, then please stay home. This will help in not spreading the virus.

MEASURING: All dogs without height cards will have to be measured this weekend. We will have a VMO available to measure dogs throughout the day on all days. Measuring will take place near the secretary table.

MOVE-UPS: The deadline for move-ups is Monday, Jan 16, 2023 at 6 pm and must be submitted in writing (email ok). Day-to-Day move-ups will be permitted at these trials and must be submitted to the score table no later than 30 minutes after the end of the trial.

MACH/PACH: We want to celebrate with you on your achievements so if you're close to getting your MACH/PACH, let me know so we will be ready with a ribbon.

FOOD: There are several food vendors available on site.

VOLUNTEERS: As you know, shows could not run without the generosity of our fellow competitors. With only one ring volunteering won't interfere with your runs. Your help is always greatly appreciated. We'll have a worker raffle drawing each day.

GENERAL WALK THROUGHS: We will have ONE walk through for each class.

SET UP: The agility area will be prepared Wednesday morning. We anticipate that the area will be available for setup after 3pm. If you set up early and we need to move your stuff, we will do that. We plan to be on site at 3pm and will coordinate set up then. We will have some spaces reserved for our chief workers and should have them identified by 3pm on Wednesday. Please coordinate with the workers on site to set up in the proper space.

CRATING: NO X-Pens allowed in the agility area. We all need to work together to share spaces so we can accommodate all entered dogs. Crating is on a first come/first served basis. You can crate along the wall in rows shown in the diagram below. You can set your chairs next to the ring.

Crating in rows as shown. This lets us get more people into the area than if we just go up against the wall. Please put your chairs along the ring

POTTY AREAS: Potty areas are provided with shavings and tools to pick up after them. DO NOT potty your dogs in the landscaping. It is a benchable offense to allow your dog to relieve themselves in the landscaped areas on the Expo site. This also extends to the business park to the West of the site.

CONFLICTS: With all the different activities this weekend, we understand there will be many conflicts and will do our best to accommodate them. If you have a conflict, please mark yourself as conflict on the Agility Gate app so we know ahead of time that you may need to run earlier or later in a class. You can also come talk to me (Lori Sage) or the gate stewards to coordinate a change.

OFFICIAL PHOTOGRAPHER: NINA'S PHOTOGRAPHY will be shooting all the agility at Rose City this year.
