At the discretion of the judge, if the size of the entry for any class might inhibit a safe and fair walk-through by handlers, height divisions may be used to divide the walk-through into groups, e.g. walk-through for the 8", 12" and 16" division handlers followed by runs for those height divisions; then walk-through and subsequent runs for the 20", 24" and 24C" divisions. A warm-up area, consisting of a regulation agility jump, will be provided. Umbrellas are not allowed on the course during the walk through.

Mixed breed dogs entered in these events must list the breed name as "Canine Partner" (mixed breed) and not as a breed hybrid and must include their AKC Canine Partners number on the entry form and check the AKC No. Box.

FIX AND GO ON & FEO INFORMATION

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

Fix and Go On (FNG)

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Ring & Crating Information

There will be no indoor crating. More information will be provided with your Final Confirmation.

B MATCH

B MATCH

We're having a B Match on Saturday night one half hour following the last class of the day. \$5 per run. Toys are ok but no food in the rings. Get some extra ring time with your dogs!

In such case, no refund of any fees paid will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.
- Please clean up after your dogs while on the show grounds and at the motel site. We want to retain these facilities for future events.
- Only dogs that are eligible to be shown under the AKC rules shall be allowed within the show precincts.
