### Portland Metropolitan Expo Center

Sharing some last minute info on parking and start times. All parking is in the front of the Expo Center. The diagram below shows the agility exhibitor entrance at Hall E. Agility Exhibitors will not need to pay to enter the building by entering through that door.

Also, with the announcement from the Dog Fanciers Association of Oregon and Tualatin Kennel Club delaying the Thursday start time by 1 hr, we will also be delaying the start of agility. We will now have first dog on the line at 9am on Thursday, Jan 18, 2024. The rest of the days will run as originally planned with the schedule that was previously sent.

Let me know if you have any questions.
