CONFLICTS

We will do our best to accommodate conflicts. If you have a conflict, the smallest class takes precedence.

GENERAL

ALL dogs are required to be kept on leash at ALL times when not running in the rings. And please pick up after your dogs.

AGILITY GATE APP

We WILL be using the Agility Gate App at this trial. The code is 4303.

Exhibitors are requested to download the free phone app named Agility Gate. If you have an Apple phone or device go to iOS or iPadsOS to download the PURPLE app named Agility Gate. You will need your Apple password.

If you have a Droid phone or device go to Google Play Store. Download the PURPLE app named Agility Gate. You will need your Google password.

Through the app exhibitors will check in, mark conflicts and FEO or scratch. The app answers the question of who is currently competing, who is next and how many before their dog. Again, the show code is 4303.

The app will be live the evening before the event. Be sure to ONLY touch your dog's name when you check in.

You will not need your phone at the gate. The Gate Steward will call dog names. If you have multiple dogs in the same class, too close together, tell the Chief Ring Steward or Gate Steward and request a move.

If you do not have a Smart Phone or Tablet do not worry. At the event the Chief Ring Steward, Gate Steward or Main Score Table can check you in, scratch or move your dog.

VOLUNTEERS

You, the volunteers, help make our trials a success. In an effort to keep entry fees low for you and yet help the clubs bottom line, we will be offering a **DAILY worker raffle**, The workers raffle will be drawn each day in the early afternoon. Prizes must be claimed by the conclusion of the trial on Sunday.
