HEIGHT CARDS AND MEASURING DOGS

As mentioned on Page 1, we WILL NOT BE USING THE PURPLE GATE THIS WEEKEND. Instead of turning left to Purple Gate, you will continue straight, down the hill to the Green Gate. Parking is in the F Lot and on the South side of the arena. The will NOT be access to the triangle parking and we will NOT be able to park between the arena building and the stall building.

HEIGHT CARDS AND MEASURING DOGS

All dogs, regardless of jump height, who are under two years of age and do not have a temporary height card or are over two years of age and do not have a permanent height card must be measured prior to their first run of the weekend. It is the exhibitor's responsibility to ensure their dog is measured before their first run. Measurement of dogs will take place near the main score table. We will have a VMO available to measure dogs throughout the day on all days.

PRELIMINARY RUNNING ORDER

This order is contingent on move-up entries not yet received or when adding wait-listed entries after closing.

Per AKC rules, the move up deadline is 6:00 pm on Monday, Nov 9, 2026. Absolutely no move-ups will be allowed for Friday after this date and time. Move-ups for Saturday and/or Sunday must be given to the Trial Secretary in writing, at the show site, within 30 minutes of the completion of the trial day.

Additional reports with the Entry Stats and a Trial Schedule will be emailed separately.

VETERINARIAN ON CALL

Columbia River Veterinary Specialists, 6607 NE 84th Street, Suite 109, Vancouver, WA 98665 (360) 694-3007 http://columbiarivervet.com Directions and maps are available from the trial secretary and will also be posted at the trial site.

HOSPITAL

CONFLICTS

We will do our best to accommodate conflicts. If you have a conflict, the smallest class takes precedence.

GENERAL

ALL dogs are required to be kept on leash at ALL times when not running in the rings. And please pick up after your dogs.

AGILITY GATE APP

We WILL be using the Agility Gate App at this trial. The code is 4303.

Exhibitors are requested to download the free phone app named Agility Gate. If you have an Apple phone or device go to iOS or iPadsOS to download the PURPLE app named Agility Gate. You will need your Apple password.

If you have a Droid phone or device go to Google Play Store. Download the PURPLE app named Agility Gate. You will need your Google password.

Through the app exhibitors will check in, mark conflicts and FEO or scratch. The app answers the question of who is currently competing, who is next and how many before their dog. Again, the show code is 4303.

The app will be live the evening before the event. Be sure to ONLY touch your dog's name when you check in.

You will not need your phone at the gate. The Gate Steward will call dog names. If you have multiple dogs in the same class, too close together, tell the Chief Ring Steward or Gate Steward and request a move.

If you do not have a Smart Phone or Tablet do not worry. At the event the Chief Ring Steward, Gate Steward or Main Score Table can check you in, scratch or move your dog.

VOLUNTEERS

Do you like to volunteer at agility trials?. As many of you know there is currently *no food vendor at Clark County Event Center*. In an effort to create a more enjoyable trial experience, volunteer class workers will now receive tickets that can be used to exchange for food items from the MHDPC hospitality table. We will have sandwiches and such available each day. We will continue to offer complimentary coffee, tea, hot cocoa and water to all exhibitors along with our sharing table of goodies. In the past tickets have been used to enter a variety of raffle baskets. Now tickets paid to workers can be used for food or exchanged for a 10$ coupon (ie 10 tickets for a 10$ coupon) which can then be used to enter future MHDPC trials. We SO appreciate all the people who step up to make our trial run and this is our effort to kick it up a notch!
